**From Preston Riehl
CEO, A&J Training Trust**

Welcome to the 2024 California State Apprentice Contest at our Santee Training Center. We are honored to host this year's contest, a cherished United Association tradition since 1954.

Over the next two days, contestants will display their expertise, knowledge, and refined skills gained through rigorous union apprenticeship training. Through competitive hands-on projects and written assessments, contestants will showcase union excellence in HVAC-R, Irrigation Fitting, Pipefitting, Plumbing, Sprinkler Fitting, and Welding. We have vigorously prepared a contest experience highlighting apprentices' hard work and commitment to shaping the future of our industry.

The winners from each trade will be announced during our awards banquet on Thursday evening following the competition's conclusion. Winners will advance to the regional competition in Spokane, Washington, at UA Local 44, from June 11th to 13th, 2024.

Thank you to our generous sponsors for making this contest possible. We also want to acknowledge our committee chairs, co-chairs, members, judges, proctors, staff, and volunteers for their efforts and time devoted to ensure a successful competition. Your contributions are evident in every aspect of this event.

To our contestants, you are all winners and should be proud of your involvement in this long lasting UA tradition. Be safe and enjoy the contest. Thank you!
